

WEEK TWO: Who is Satan?

Big Idea: Satan lies, and lies are weak.

HANG OUT Every story has a villain, a bad-guy, or an adversary. In real life, there is one also. We call him Satan or the Devil.
Who do you think is the weirdest or meanest bad guy in a movie or tv show?
Why? What "power" does that person have?

Why do you think Satan uses lies? What power can lies have over us?

HEAR **Read** 1 Peter 5:8-11.
On the back of this page, draw a picture of what you just heard.
How can you "remain strong in what you believe"?
How can the community (the church!) help you?

Jesus says that he is the "truth"! If Satan lies than the truth of Jesus is what will help us to combat his lies. How can we do this?

HUDDLE Is there a crummy lie you believe about yourself? What is it?
When we let other people know about a lie we believe, that lie often loses its power. Share together.

Pray together.
