

WEEK FOUR: What is God's Team?

Big Idea: God invites us to join his team.

HANG OUT What is the best team or group you have ever been a part of?
What was it like to be on that team? What did you do?
What was unique about that team?

HEAR Read Ephesians 2:19-22.
What does it say about who we are as a part of God's team?

On every team there is a purpose or something you "do". On a soccer team, you run, and kick a ball, and listen to the coach, and are a good sport.

What is life like on God's team? How would you describe it?

How is God's team different than any other team we might be a part of?

When we talk about being a Christian, we are talking about following Jesus. A Christian is someone who has totally committed to being on God's team. Do you have any questions about that?

HUDDLE Talk about the many hundreds of thousands of people who are a part of God's team, who are Christians, who live all around the world. Talk about the reality that some places in the world, people are hurt for being a Christian. Take time to pray for these people as you are a part of God's team, his family, together with them.
Pray together.
