

# **WEEK FIVE: Creative**

**Big Idea: God uses creative \_\_\_\_\_ to get peoples' attention.**

**HANG OUT** Have you ever had to quickly get someone's attention in an urgent situation?  
What did you do?  
Have you ever had to get someone's attention without using words?  
What did you do?

If you needed to get someone a message who couldn't read, and you couldn't stay to speak with them, what would you do?

**HEAR** **Read Exodus 8:16-19.**

What was happening before this in the story?  
What did God do to get Pharaoh's attention? How did Pharaoh respond?  
What else did God do to get Pharaoh's attention?  
When did Pharaoh finally pay attention?

Do you think God still tries to get our attention? Is there an example from your life or someone else you know?

Do you think God tries to get our attention through his creation (nature)?

Do you think God tries to get our attention through other people?

Do you think God tries to get our attention through music?

Do you think God tries to get our attention through (fill in the blank!)?

**HUDDLE** Have you ever considered the idea that you might be God's creative way of getting someone else's attention? (Pretty cool, right?)

With this in mind, how can you live the life of a Jesus follower where you are aware of this idea more often?

Pray together.
