

WEEK ONE: Mission

Big Idea: Jesus _____ us to join his mission.

HANG OUT You have a mission: build the largest Lego tower you can in 3 minutes.
You have a mission: draw as many hearts on piece of paper as you can in 1 minute.
You have a mission: do as many push-ups you can do in 30 seconds.

What is the mission that Jesus invites us to join?
You have your whole life, but it's a big one, so be sure to get started!

Take time to watch the teaching video together before continuing (all videos can be found at www.curriculum.church).

HEAR **Read Matthew 4:19-20.**

What did Jesus say to Peter and Andrew? What did that mean?
How many disciples did Jesus invite to join him?
What mission did Jesus give to those disciples when he left the earth? (Hint: Check out Matthew 28:16-20)
We are disciples as a result of a couple thousand years of people going and making disciples. So, what is our mission now?
How do we do this mission today?

HUDDLE Take some time to discuss who the people are in your life that you can share God's love with, and talk about who Jesus is with. Why do you want others to know about Jesus? What can you tell them? How do you show them love?

Pray together about these things.
