

# **WEEK ONE: Pointing to Jesus**

**Big Idea:** The great people of the Bible all point to Jesus.

**HANG OUT** What is your favourite kind of street sign? Why?  
Why do we have street signs? What do they help us with?  
Explain: The great people of the Bible all point to Jesus, kind of like awesome blinking street signs! And we can point people to Jesus, too. Watch the video from this week.

**HEAR** Look up and read (or tell the story) from **Luke 24:13-34**. Give context (this is after Jesus rose from the dead!). Tell kids to pay attention for when you say "law," "prophets," or "Moses." And when you do, they should point at you!  
**Ask:** Re-read verse 27. What does it say? What does it mean? Why is this important?

**HUDDLE** Once the disciples understood that everything in the Bible pointed to Jesus, they started going around teaching others about Jesus and his way of living. The disciples pointed others to Jesus with their words and their actions. How can we point to Jesus with our words and actions?  
Share and pray together.
