

WEEK TWO: Winning

Big Idea: Nothing can separate us from God's love.

HANG OUT In the box below, draw what you think love looks like. (Don't worry, there's no right answer, it is whatever you want it to be!)

In the box below, draw what you think God's love looks like. Is there a difference to you? Why or why not?

HEAR Look up and read Romans 8:38-39. Are there any words or ideas you don't understand? (Discuss it through together.) What does this whole thing mean? Because we are loved so completely perfectly by God, what does it make you want to do?

If time permits, look up Luke 15:11-31. How would you describe the Father's love for his son in this story? How is this like God's love for us? How does it make you feel that God loves you that much?

HUDDLE Take a moment and sit quietly with your eyes closed. You don't need to do anything but sit and breathe. Take a few seconds to do that. Now, think about the idea that you are fully, totally, and completely loved by God. As you breathe in, just think about that. If you want, you can breathe in and out and whisper to yourself, "I am loved by the Most High God!" Take a few moments to just sit in this amazing truth.
