

WEEK TWO: Dreamer

Big Idea: When God gives us a dream, he will see it through.

HANGOUT

1. Invite each person to share about a dream they've had that was kind of strange.
2. Discuss: When we talk about having a dream, it could be a dream while sleeping OR something that we hope for in the future. Do you have a dream for the future? If so, what is it?

Optional activity:

3. Draw a bizarre dream you have had as if it were a comic.

HEAR

4. Look up and read aloud Romans 8:28, the Key Verse for the series.
5. Discuss:
 - What does this verse mean?
 - Can you think of an example of a time when something that started really badly ended really well? (In the Bible or from your own life?)
 - If God plants a dream in your heart, what do you think is the best thing to do about it?

HUDDLE

6. Remind the kids that God is always with us. We know this is true but we often forget it!
7. Discuss:
 - How do you think God helps us each day?
 - When you need help or aren't clear about God's dream for you, what could you do?
8. Pray about what the kids shared.
